 **PLEASEHELP.FR**
We help keep your dream alive.

Booking System

Less commission

Gîtes Bed & Breakfast

**Two things in life we want to save;
time and money.**

**Two things to avoid in business;
being disorganised and out of date.**

So, with you in mind we are offering a solution. A system designed to make your life easier and clearer :

- ✓ a booking diary
- ✓ booking approvals
- ✓ Secure payments
- ✓ under YOUR control

Without paying any booking commission to a major booking firm!

**This is possible and
much more!**

More bookings

Repeat Business

You may have an agreement with a provider who gets you business but do you have the ability to capitalize on that business?

Being organised, keeping your own records should be of paramount importance. Therefore centralising your bookings into one area should be your priority.

With the pleasehelp.fr booking system you can create and manage ;

Your website is your brochure, don't leave it only in the hands of 'others' to manage.

Effective Management

Keeping up to date

Therefore it makes sense to give them easy access to your business Information.

**Of course its all about the location
and the room.**

- ❖ availability
- ❖ comfort
- ❖ size
- ❖ look & feel

But how do you get that across? With the pleasehelp.fr booking system **you can achieve so much;**

- easy to use
- designed to meet your needs
- fully customisable to reflect your own logo, brand, etc.
- basic Website Template provided if necessary
